# I wish I had someone (G)

(Irish folk song)

**Omkv.:**

*I wish I had someone to love me,  
Someone to call me her own.  
Someone to sleep with me nightly.  
I'm weary of sleeping alone.*

**Meet me tonight in the moonlight.  
Meet me tonight all alone.  
I have a sad story to tell you.  
I'm telling under the moon.**

**Tonight, is our last night together.  
The nearest and dearest must part.  
The love-bond, that held us together,  
Is shredded and torn apart.**

*(Efter omkvæde: 1 instrumentalt vers).*

**I wish I had ships on the ocean,  
Laden with silver and gold.  
I'd sail to the banks of my true love,  
a lassie just nineteen years old.**

**I wish I had wings of the swallow  
flying out over the sea.  
I'd fly to the arms of my true love  
And bring her home safely to me**

*(Sidste linje i omkvædet gentages langsomt).*
